

HAWE SIZE 4 VALVE SERIES RETROFIT FROM EUROPEAN MACHINERY SERVICES

- **HAWE discontinued production of the size 4 valve series in 2023**
- **These valves are integral to the operation of the machine**
- **The kit from EMS is a 1:1 match and no modifications are necessary, plug n play**
- **Replacement valves include: GS2-4, GR2-4, GZ3-4, and G3-4**
- **Typical lead time of replacement valve(s) is 2-3 weeks**
- **EMS recommends end user to stock 1ea of critical valves to prevent machine down time**
